About This Game

DEEP STRATEGY & MINIMALIST DESIGN

Save the Kingdom by leading a team of unlikely heroes into battle against an ancient enemy! Explore a magical world, conquer evil, collect loot, mystical items, and even designer T-shirts. You'll need to move your characters judiciously, time your attacks just right, unleash powerful spells, and strategically customize your party (and play style) if you want to survive. Can you unravel the truth about the Tower in the Sky?

Great tower defense RPG title. Lots of strategy and WAY more challenging than most games like this. You can tell it's an indie game because it's a little rough around the edges and the graphics are basic, but there is plenty of customization and character building.
